IFRS 17 in Latin America

Implementation Insights, Lessons Learned & What's Next

IFRS 17 has transformed insurance financial reporting globally — but across Latin America, implementation has followed diverse paths shaped by local regulation, market maturity, and resource realities.

As insurers move from implementation to stabilized reporting, what should actuarial and finance teams focus on next?

JOIN THIS PRACTICAL SESSION TO EXPLORE:

- ✓ The current state of IFRS 17 implementation across Latin America
- ✓ Key successes and challenges from early adopters and late movers
- ✓ Practical lessons from real-world industry experience
- ✓ What's next as regulatory and stakeholder expectations evolve
- ✓ SOA resources to support ongoing IFRS 17 and IFRI reporting work

DATE: APRIL 8, 2026

Time: 10:00 AM – 11:00 AM
(Central Daylight Time)
